**BID FROM HOME WITH  
ELITE LIVESTOCK**

[www.waratahspecklepark.com](http://www.waratahspecklepark.com)

**Welcome**

It is with pleasure that we present to you the first LIVE online Waratah Speckle Park Genetics Sale, to be conducted direct on your computer, ipad, iphone or Android device, via Elite livestock auctions.

This is the second step in our family’s succession planning program and Waratah’s commitment to spread new and old genetics around to the many new breeders in the Speckle Park world!

We have on offer some of the newest genetics Waratah have been using from Canada as well as some of the proven golden oldies that are now hard to find.

All Current relevant DNA testing is complete on all Sire and Dams represented in this sale and they all have their AI permits for Sires or ET Donor Dam permits completed. SNP DNA # numbers are printed on each lot for easy reference to help when it comes time for calf testing and registrations.

With all the embryos made, semen in the tank and the cattle industry booming there has never been a better time to breed more fantastic Speckle Park Cattle.

**Live online only Auction**

This is LIVE ONLINE ONLY auction. There will be NO timed lots. Instead the auction will be conducted live by the Auctioneer via Elite Livestock. The Auction will start at 7pm on the 7th of October. Please register with Elite livestock Auction at [www.elitelivestockauctions.com.au](http://www.elitelivestockauctions.com.au) or contact them on 1300 15 31 35. If you have any questions please refer to the ‘How to Register with Elite Livestock Auctions’ page in this sale catalogue. It is highly recommended to register with Elite Livestock prior to sale day.

**Insurance**

We recommend buyers insurance your purchases, as the lots become your responsibility at the fall of the hammer.

**Embryo & Semen Storage**

Waratah will pay for embryo and semen storage until the 21st of October 2020, after which storage fees will transfer to the new owners.

Please contact the relevant facility below with receipt of purchase. Your semen and/or embryos will then be released and sent to your preferred storage facility, shipping and handling cost are the responsibility of the buyer.

**Export Embryos**

All export embryos are stored at HCH Genetics. Please contact Dale Edwards on 0429 795 468.

With the exception of Lot 25 which is stored at Global Reproduction Solutions contact Dom Bayard on 03 57641224

**Semen & Domestic Embryos**

All semen and domestic embryos are stored at Wyatt Artificial Breeders. Please contact Dwight Wyatt on 0418 628 157.

**Invoicing**

Embryos and Semen will be sold on a per each price plus GST. For example, if there are 4 embryos in a lot and the knock down price is \$1000 then the resulting bill will be 4 x \$1000 plus GST = \$4400.

Shipping, handling and insurance costs are the responsibility of the buyer.

Ray White Livestock Guyra/Armidale will issue your sales invoice with 7-day payment terms.

**Advice Disclaimer**

At Waratah Speckle Park we are willing to provide assistance to those seeking guidance and our opinion on cattle. However, the final decision is that of the purchaser. Waratah Speckle Park will not be responsible for the final results and performance.
